

TengDa Jiang

tdjndv@gmail.com | <https://github.com/tdjndv>

Technical Skills

Language: C/C++, Python, JS/TS, C#, HTML/CSS, PHP

Framework: Raylib, React, Nextjs, Express, Django, Fastapi, Flask, [ASP.Net](#), Wordpress

Tools: Redis, mysql/psql, mongodb, docker, kubernetes (eks), git, linux/unix, nginx, aws (ec2, ecs, rds, s3, dynamodb, lambda, cloudwatch), stripe, openai api, vercel, prisma, zod, Gitactions, terraform, cypress, zustand/redux, tanstack-query, tailwindcss, machine learning, firebase, revenuecat

WORK EXPERIENCE

Fullstack Developer (React, fastapi + Expressjs) — TianYong Finance (Startup @ ShanDong, China; Jan, 2020 - April, 2024)
(Remote Part-time)

- Integrated WeChat apis for auth, payments and account-related service
- Expanded and maintained core financial features
- QA designing and executing test cases for auth, payments, and core services, improving system reliability

MAJOR PROJECTS

Financial Tracker (SaaS) ([Repo](#)) (Was Live)

- React, Expressjs, redis, postgresql, stripe, resend, nginx, docker, aws (ec2)
- Built a financial tracking tools with accounts, transactions and summaries
- Layered backend design, stripe payments, httpOnly JWT auth, api optimization with Redis
- Auto deployed containers with Docker on aws using Github Actions

CPPSQL - In memory SQL Interpreter ([Repo](#))

- Built a lightweight in-memory relational database in C++ featuring SQL parsing and query execution

Term2D - C++20 Terminal Game Engine ([Repo](#))

- Lightweight 2D game engine with reusable application framework, input handling, ansi rendering, built three games using the engine (Flappy Bird, Snake, Tetris)

AI custom character text generator (SaaS) (Was Live)

- React, supabase, vercel, resend, stripe
- Built a chrome extension that lets you rewrite text in the style of classic characters
- Integrated stripe payments with Supabase

EDUCATION

University of Alberta

Bachelor of Science in Mathematics, Minor in Computing Science

Edmonton AB

September 2020 - June 2025

COMPETITIVE PROGRAMMING

Kattis (Ranked 347 globally)
